

Intent to Qualify for Championships .

Championships have been expanded to include new modified divisions (Jr. and Sr.) for every discipline. This means that members who are at least 10 years old and hold a D2 certification or above are able to compete at Championships in the modified divisions.

Championships are also a wonderful way to meet other Pony Club members from around the country and make new friends!

2023 Championships

CENTRAL: June 5-11 National Equestrian Center – St Louis, MO

EAST: July 26-30 Tryon International Equestrian Center – Spring Mill NC

2024 is Festival in Lexington, KY!

Please see the Rocky Mountain Region website for information and links to Championship Information.

It is also important to read the rulebooks for each discipline and the Championships Competition. Nearly all of the Rulebooks including Horse Management (formerly known as HM Rules for Rallies) have been updated and contain information about Championships including the new modified divisions. Once again, the newly updated Rulebooks are posted on the USPC website.

Finally, a letter of intent is included so that we are better able to plan ways to support members who would like to qualify and compete in Championships. Please encourage your members to take advantage of this fun and exciting opportunity to expand their horizons with Pony Club.
